

CRI is your trusted advisor and partner—from your farm to their table.

Why CRI?

While our roots run deep with family farms, CRI recognizes that Agribusiness is big business, accounting for 5% of the U.S. GDP and 10% of the employment in the U.S. Our diverse team throughout the nation boasts extensive experience working with input suppliers, producers, and retailers across the industry. We understand the unique economic and regulatory factors that influence your agricultural-based business, from auditing your manufacturing facility to assisting in estate planning or the succession of your family-owned business. Our seasoned team of advisors has the relevant knowledge to offer the accounting, tax, and advisory services that take you from compliance to a profitable harvest.
