

## Navigate the nuances of oil and gas taxation with CRI's team of forward-thinking tax advisors.

### Why CRI?

As independent producers, many individuals reap the benefits of energy-friendly tax deductions, such as percentage depletion and electing an immediate expense for intangible drilling costs. However, in an endemic and post-pandemic world with the U.S. government looking to raise revenue and influence policy, it's possible that the landscape of the oil and gas industry will look very different in the future. CRI's dependable team of Oil and Gas industry focused tax advisors stay abreast of potential changes to help your business plan for the effects of any future changes.
