

## Caring for your practice's financial and regulatory needs as you care for your patient's needs.

### Why CRI?

CRI's Healthcare advisory team offers a wide range of services specifically designed to help healthcare providers accomplish their goals. From individually-owned practices to multi-specialty, health system-owned clinics, our services can improve your revenue cycle's efficiency, help you more fully utilize your EMR and other software, and keep you on track and updated with governmental and payer requirements and available incentives. Gleaning our expertise from serving a variety of providers and practices, including primary care physicians, specialty physicians, dentists, orthodontists, behavioral health providers, and many others, our dedicated healthcare specialists provide a wide range of services tailored to address your specific concerns.

### Related Services:

- Accounting & Business Outsourcing
- Business Planning
- Business Tax
- Employee Benefit Plans\*
- Financial Statement Preparation\*
- HIPAA Assessment
