CentraLease®

POWERED BY Carr, Riggs & Ingram

Lease Accounting Software

Bring your lease information together.

Managing leases means keeping track of agreements, payment dates, contacts, and accounting requirements. CentraLease is CRI's cloud-based lease accounting software, designed to bring that information into one centralized platform and support your organization's lease accounting and reporting needs.

A clearer view of your lease portfolio

- **Keep information organized.** Centralize lease agreements and key details so your team can find and manage information in one place.
- **Access the details you need.** View payment dates and contact information for lessors, lessees, and vendors.
- **Support your accounting workflow.** Use a centralized dashboard and automation capabilities to help manage lease information and related accounting processes.

Support for lease accounting requirements

CentraLease supports accounting for leases and subscription-based information technology arrangements (SBITAs), including requirements under GASB Statements 87 and 96, as well as applicable FASB lease accounting standards.

Let's talk about your lease accounting needs.

Connect with our team to discuss your current process, learn more about CentraLease, and determine whether the software is a fit for your organization.
